

AQUILA RESOURCES INC.

MAJORITY VOTING POLICY

The Board of Directors (the “**Board**”) of Aquila Resources Inc. (the “**Company**”) is committed to fulfilling its mandate to supervise the management of the business and affairs of the Company with the highest standards and in the best interests of the shareholders of the Company. The Board has, in light of best practice standards in Canada, adopted this statement of policy providing for majority voting in director elections at any meeting of the Company’s shareholders where an “uncontested election” of directors is held. For the purposes of this policy, an “uncontested election” of directors of the Company means an election where the number of nominees for director is equal to the number of directors to be elected.

Pursuant to this policy, the forms of proxy circulated in connection with a meeting of the Company’s shareholders at which an uncontested election of directors is to be conducted shall provide the Company’s shareholders with the ability to vote in favour of, or to withhold from voting for, each director nominee. If the number of proxy votes withheld for a particular director nominee is greater than the votes in favour of such nominee, the director nominee shall be required to promptly submit his or her resignation to the Board following the applicable meeting of the Company’s shareholders.

Following receipt of a resignation submitted pursuant to this policy, the Nomination, Compensation and Governance Committee of the Board (the “**Committee**”) shall consider whether or not to accept the offer of resignation and shall recommend to the Board whether or not to accept it. With the exception of exceptional circumstances that would warrant the continued service of the applicable director on the Board, the Committee shall be expected to accept and recommend acceptance of the resignation by the Board.

Within 90 days following the applicable meeting of the Company’s shareholders, the Board shall make its decision, on the Committee’s recommendation. In considering the Committee’s recommendation, the Board will consider the factors considered by the Committee and such additional information and factors that the Board considers to be relevant. Following the Board’s decision on the resignation, the Board shall promptly disclose, via press release, its decision whether to accept the director’s resignation offer including the reasons for rejecting the resignation offer, if applicable. If a resignation is accepted, the Board may, in accordance with the provisions of the Company’s declaration of trust, as it may be amended, restated and/or supplemented from time to time, on the recommendation of the Committee, appoint a new director to fill any vacancy created by the resignation or leave the vacancy unfilled.

A director who tenders his or her resignation pursuant to this majority voting policy shall not be permitted to participate in any meeting of the Board and/or the Committee at which his or her resignation is to be considered. However, if each member of the Committee received a greater number of proxy votes withheld than the votes for each member in the same election, or a

sufficient number of the Committee members received a greater number of proxy votes withheld than the votes for such members in the same election, such that the Committee no longer has a quorum, then the remaining members of the Committee, if any, shall not consider the resignation offer(s) and the Board shall consider whether or not to accept the offer of resignation without a recommendation from the Committee.

In the event that a sufficient number of Board members received a greater number of proxy votes withheld than the votes for such members in the same election, such that the Board no longer has a quorum, then such directors receiving a majority withheld vote shall not be permitted to vote in any meeting of the Board at which his or her resignation offer is considered, however he or she shall be counted for the purpose of determining whether the Board has quorum.

In the event that any director who received a greater number of proxy votes withheld than votes in favour of such director's election does not tender his or her resignation in accordance with this majority voting policy, he or she will not be re-nominated by the Board.

The Committee may adopt such procedures as it sees fit to assist it in its determinations with respect to this policy and shall have the sole and complete authority to interpret and apply the policy.

In the event of a "contested election", where the number of nominees for director exceeds the number of directors to be elected, subject to applicable law, the voting method to be applied for purposes of electing directors at the meeting will be determined by the chair of the meeting in his or her sole discretion.
